

EAGLE TT AWD AIRCRAFT TUGS

TT-4, TT-5, TT-6, TT-8

Engineered to meet the needs of today's regional airlines, corporate flight departments, fixed base operators and military flight operations, the Eagle TT series All Wheel Drive aircraft tow tractor packs a significant amount of value into a low profile, compact package.

Here is what the TT series has to offer:

- Only product in its towing capacity available in All Wheel Drive - providing safe, controlled traction on all surface conditions.
- Ergonomic operator compartment, low-profile design and mirror-less hitch visibility allow operators to safely and efficiently handle aircraft.
- Designed with carefully matched components, resulting in minimal or no unscheduled maintenance or repair.
- Unparalleled reliability and factory-direct service and support is the Eagle Tugs advantage.
- Eagle Tugs has over 35 years of experience designing, building and supporting reliable tow tractors.
